

Unit 6 阶段性检测卷

一、完形填空（每小题 1 分，共 15 分）

May is a beautiful month full of sunshine and flowers. It is also the 1 when we show thanks on the second Sunday—Mother's Day.

In my family, every year's Mother's Day celebration is 2. Two years ago, I made 3 for my mom in bed and 4 still remembered the dishes I cooked that morning. Last year, I bought her a selfiestick (自拍杆) with the money I made by 5 some of my old books.

This May, I wanted to do something special. In late 6, I started to search for gift ideas online. It took me about two weeks to get a final idea. 7, I made a box with colourful cards by hand. Then I put a small bag of 8 in the box. Of course I wrote some 9 on the cards, they were all 10 jobs I could do for my mom at home, like 11 and cleaning the floor.

On Mother's Day Eve, I went into mom's room and put the present on her bed quietly 12 she went to sleep. Next morning when she 13, she found it. She was very excited and spent much time looking at every tiny detail (细节) of the box 14 and tried the sweet snacks inside.

Mother's Day is a happy time for me to 15 my mom and show her my love because she takes good care of me.

It is spring and the sunlight is warm. A lion is sleeping peacefully (安详地) in the forest.

When the lion is sleeping, a mouse goes on top of the lion. The bold (胆大的) mouse plays happily on top of the lion. "Yuppie! This is really fun." The mouse runs around *singing and dancing*.

The lion is not able to sleep with all the noise. He knows that there is someone on top of him.

So he jumps and then rolls on the ground. And the mouse falls over. When the lion sees the mouse, he is relieved and says, "Whew! It is only a mouse."

But far away a fox sees that. The fox laughs at the lion and says, "You're as big as a mountain and you're afraid of the mouse. You're a coward (懦夫)!" The fox keeps making fun of the lion.

At last, the lion says, "I am not afraid of the mouse. I just find such a bold animal who is not afraid to run around on top of a lion." When the fox hears this, he quietly leaves.

() 19. The lion is sleeping _____.

A. on a fine spring day B. on a cold winter day C. on a warm autumn day D. on a sunny summer day

C. The lion is big but afraid of the mouse. D. The fox wants to jump on the lion too.

C

Once, when a king was hunting in the forest, the night fell. The king and his men could not find their way back to the palace. After hours of hiking, they saw a light glowing(发光) in the distance. They went toward it.

The light came from a small house and an old man lived there. The host invited all of them to stay for the night and cared for them warmly. Before leaving, the king invited the old man to the palace to repay him.

Some days later, the old man arrived at the palace. The king was very happy to see him and wanted to give the old man a bird. It's his favorite because it's very beautiful and it can sing! The king was sure it would be a good repayment to the old man for his good deed with such a valuable (珍贵的) gift.

On another trip to the forest, the king visited the old man again. In the middle of their talk, the king asked the old man how the bird was.

"Oh, the bird?" the old man said. "It was delicious. As soon as I got home, I treated myself to it."

() 23. Why did the king go toward the old man's house that night?

A. Because the old man invited them all warmly.
B. Because it was dark and they lost their way.

During the novel corona-virus outbreak(新冠病毒疫情)we wear masks to keep us safe. But many of you may have a problem—you can't eat when you wear a mask. Now an Israeli company has invented(发明)a kind of mask that you can wear while eating.

The mask has a remote-control mouth. You just need to push down a lever to open a slot in the front of the mask so that you can eat the food. When you take out your eating utensil(餐具)it will close.

The company says the mask can protect people from the virus while they eat. It plans to start selling the mask in the coming months at a price of ¥6-20 higher than that of a regular medical mask.

People have different opinions about the mask. John says it's a must-have because it helps him to eat while staying safe. But Ron thinks it won't work when he eats ice cream. He doesn't want to wear it because the mask will get dirty. But it is fine for solid(固体的)foods like meat.

Besides this kind of mask, people create some other cool inventions during these days. For example, A Chinese company invented a Fever-catching helmet(头盔). It can catch people with fevers(发热)from up to five meters away. At the same time, it can show the person's name and medical history, and send this information to nearby hospitals. A Belgian 3D printing company designed a Hands-free set. With its help, people can open doors without using their hands. People can use their arms or elbows to open doors instead.

- A. mask B. lever C. Slot D. utensil

() 28. According to Ron, the mask with a remote-control mouth _____.

- A. has a higher price than others B. isn't fine for food like ice cream
C. helps stay safe while eating D. is not very easy to learn to use

() 29. Which is the similarity(相同点)of the cool inventions?

- A. They are made in the same company.
B. They can make less touch between people.

C. They are only useful during the virus breakout.

D. They don't need to get on the Internet.

() 30. Which is the best title of the passage?

A. Keep away from the virus.

B. Wear a mask in a right way.

C. Cool inventions keep us safe.

D. A safe diet and lifestyle.
